

Manchester City Centurion Season

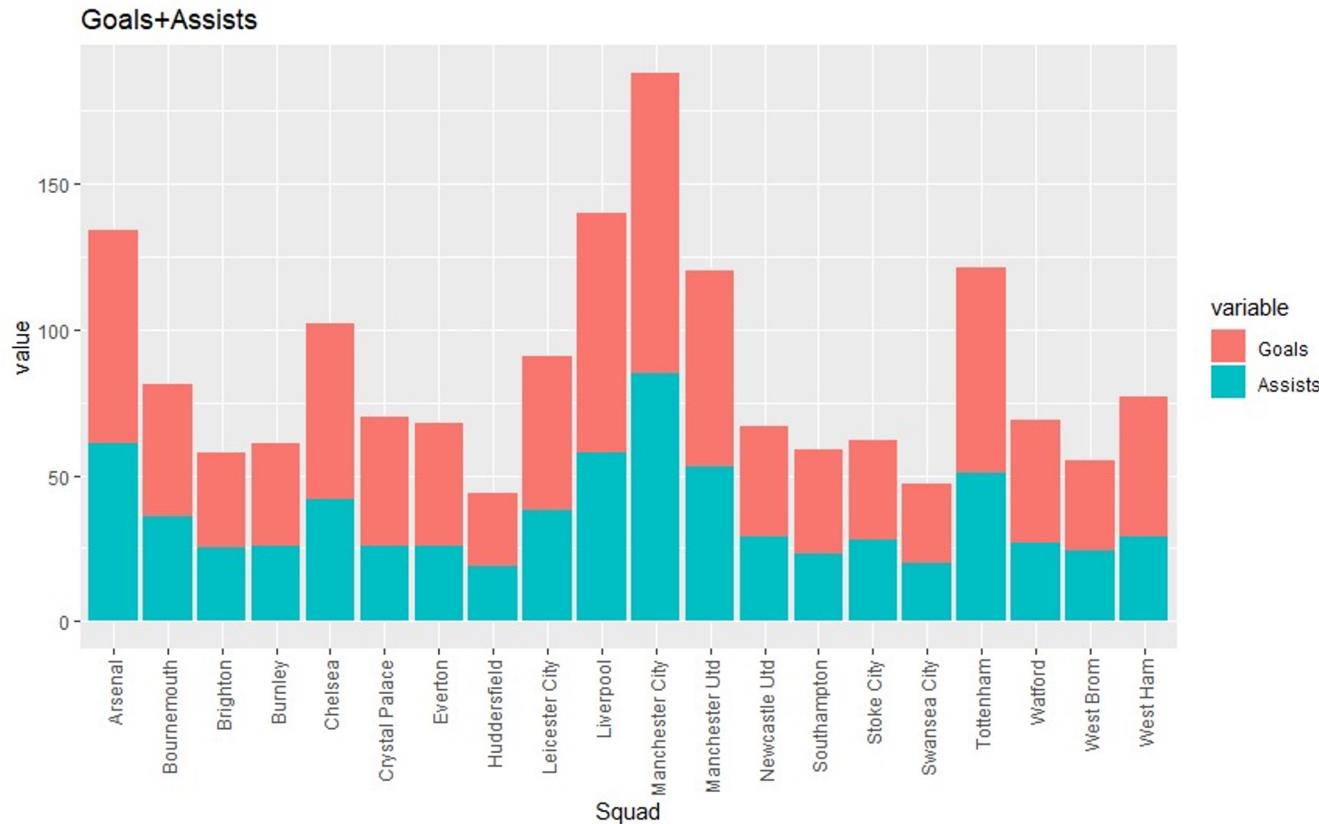

Overview

Manchester City F.C is the first club in the English Premier League history to score 100 points in a single season (17-18).

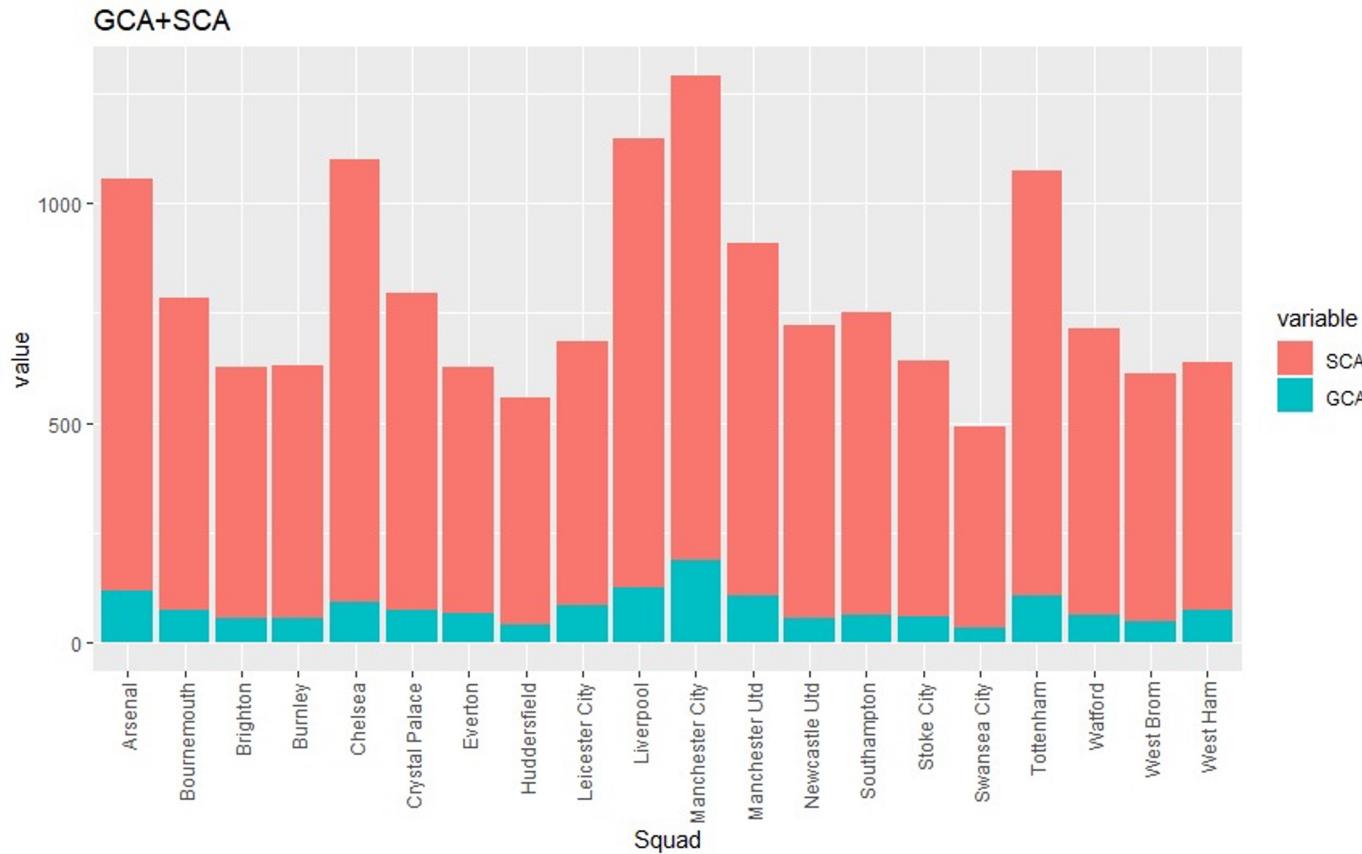

Our objective was to analyze how they achieved this.

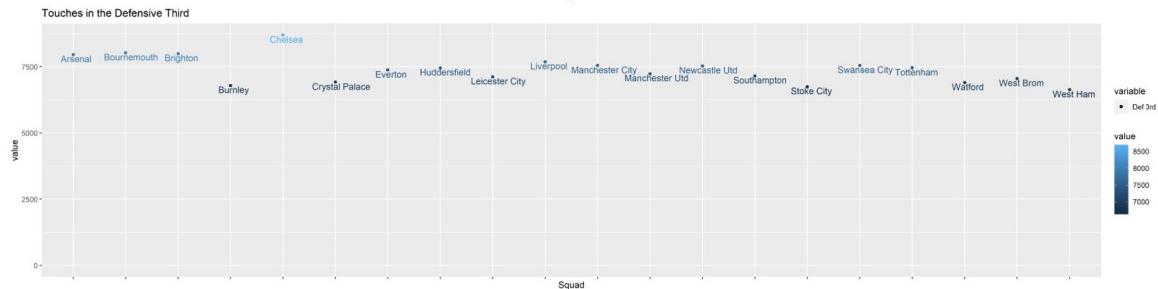

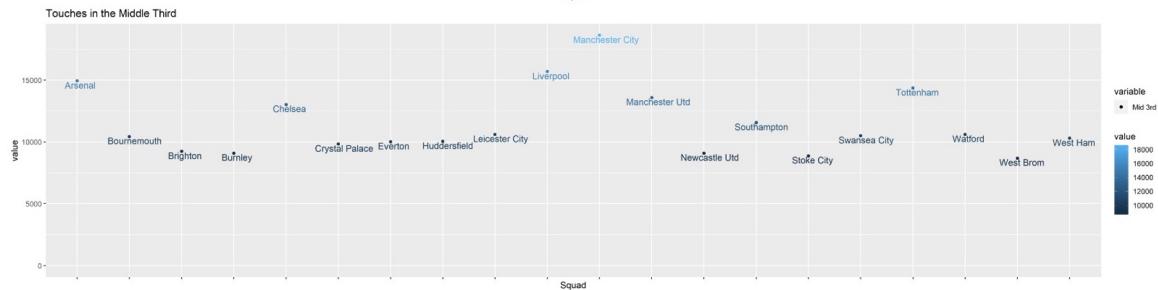

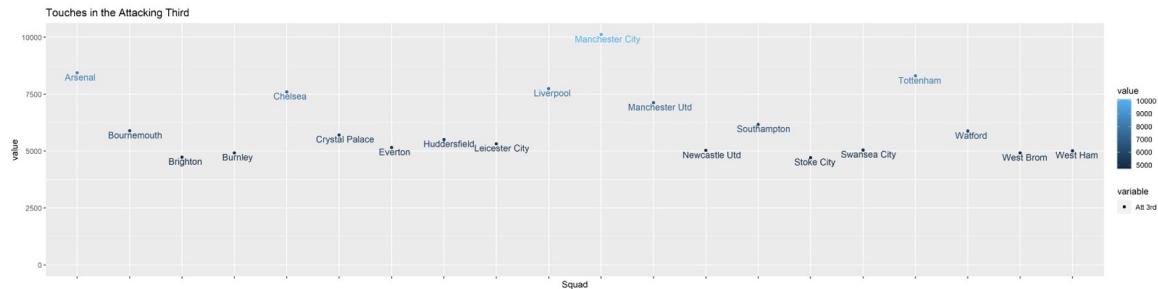

First, we analyzed the Total Goals + Assists of all teams in the Premier League (17-18)

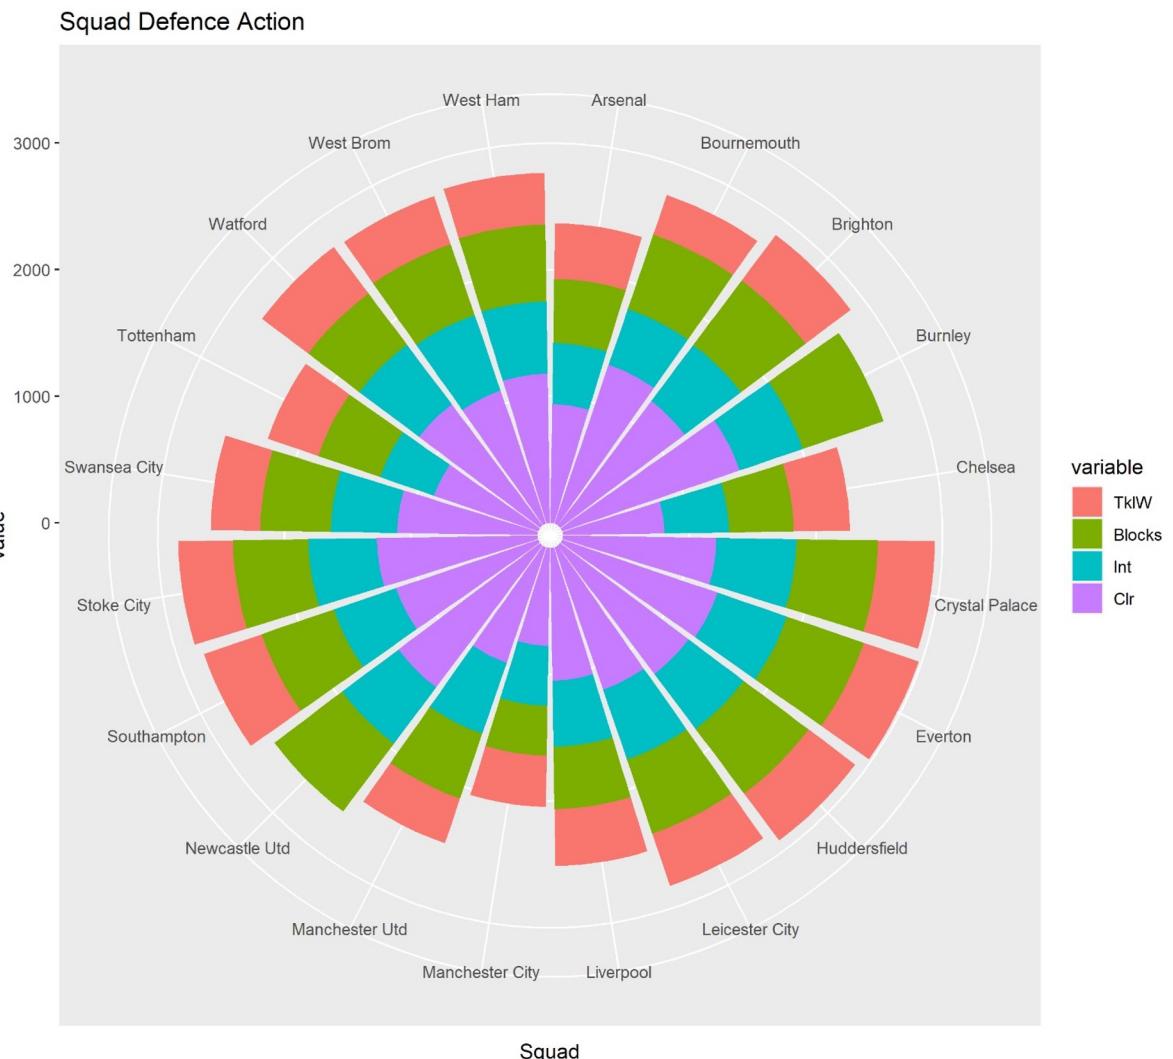

The Total Shot-Creating Actions (SCA) + Goal-Creating Actions (GCA)

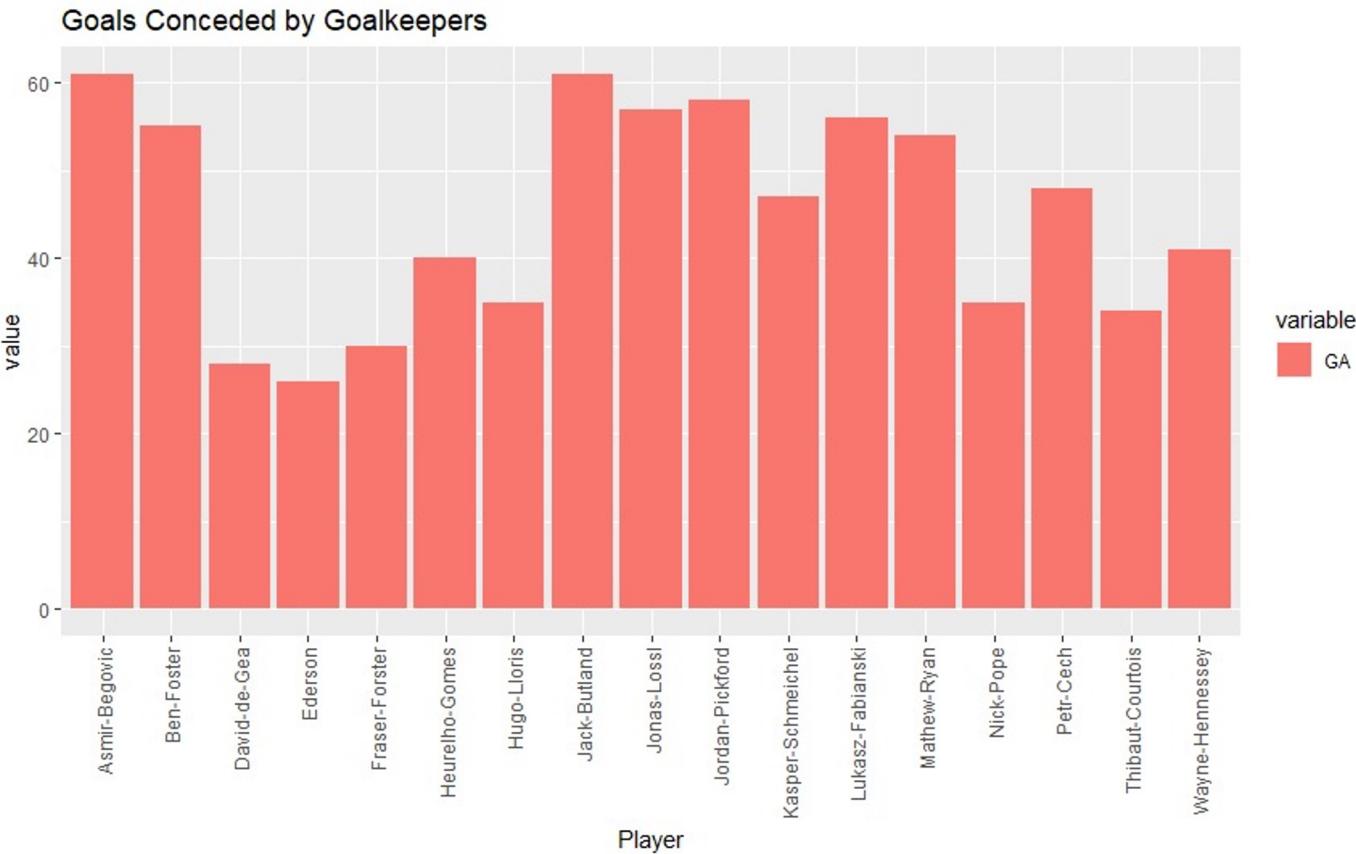

Which part of the field Manchester City dominated possession?

"I need time, but as soon as possible, we are going to try to create team spirit. That is the most important thing. After that, you can create tactics, but we have to create something special with ourselves."

-Pep Guardiola
